“Central Behavioral Health is a community dedicated to helping people of all ages improve their emotional and behavioral health, develop resiliency, and achieve personal fulfillment.”

ROAD MAP TO SERVICES

ADULT CLINICAL SERVICES:

Central’s [Outpatient Program](#), offers behavioral and co-occurring treatment (individual, family and group therapy), crisis and emergency intervention, comprehensive intake assessments, and medication management.

ADULT SERVICES:

Central’s [Recovery Coaching](#) partners with consumers to coordinate, facilitate or provide resources to help secure housing, crisis intervention, mental health services, socialization, rehabilitation services, and much more. [Senior Case Management](#) services are available for individuals 60 years of age and older. Central’s [Administrative Case Manager \(ACM\)](#) provides information and referrals for behavioral health and other human services, including other county departments and coordination agencies.

Central’s [Clinical Wellness Recovery Team \(CWRT\)](#) provides services to help improve the physical and behavioral health care that a member receives to ensure an integrated healthcare approach to wellness.

Central’s [Career Center](#) provides career focused workshops and related services such as support for securing a job, assistance with examining long term career options, and support for education towards career goals. Our [Certified Peer Specialists \(CPS\)](#) offers individuals support towards their goal oriented recovery plan. [Generalist CPS](#) support individuals to become part of the community in which they live. We also offer an [Older Adult CPS](#) service that assists individuals 60 and older to increase their socialization and to improve their quality of life.
