

## How Central Can help

Our Extended Assessment Coordinator will work with you to ensure a comprehensive assessment is completed gathering as much information from you, your child and the completed psychological or psychiatric evaluation. Our goal is to work with you to ensure your child gets immediate support. Case management services are available to assist you and your family in identifying community supports and resources which may be available to support your child.

## Our Mission

Central Behavioral Health is a community dedicated to helping people of all ages improve their emotional and behavioral health, develop resiliency, and achieve personal fulfillment.

## Extended Assessment

- Is your child struggling with behavioral concerns at home, in school, with friends and you don't know where to turn for help?
- Have you felt your child and family would benefit from support in your home and the community but you're unsure where to start?
- Is your child under the age of 21 and covered by Health Choices Magellan Behavioral Health?

## Central Behavioral Health Can Help

At Central, our Extended Assessment Coordinator will work with you and your child, to provide a comprehensive assessment to help determine the appropriate in-home service that best meets your child's needs. Our Coordinator will help guide you through the assessment, ensuring that you are aware of every service available to your child.
