

How Central Can help

Central's Tip Program is a community based, behavioral health, program serving residents of Montgomery County, Pa. Our TIP facilitators work with individuals ages 16-26 experiencing emotional and/or behavioral difficulties and find planning for their future overwhelming to manage alone. Our TIP team provides support through:

- Educational Opportunities
- Living and Housing Support
- Employment/Career Preparation
- Community Life Functioning
- Personal Effectiveness and Well being Training

Please contact Central today to discuss eligibility and how we can support you through your transition to independence.

Our Mission

Central Behavioral Health is a community dedicated to helping people of all ages improve their emotional and behavioral health, develop resiliency, and achieve personal fulfillment.

Transition to Independence Process

- Are you a young adult between the ages of 16-26 experiencing emotional and/or behavioral difficulties?
- Have you begun planning for your future and find yourself feeling overwhelmed?
- Are you interested in learning skills and strategies to help you become more independent, self-sufficient and successful?

Central Behavioral Health Can Help

At Central our team of Transition to Independence Process (TIP) Facilitators can help you navigate your path towards independence. Our TIP facilitators will work side by side with you using a strengths-based approach, working to engage you through relationship development, person-centered planning, and a focus on the future. Our TIP team will give you the support necessary to build on your strengths and create your future, your way.
